SIMPLY STAMPS AND TRODAT GIVE AWAY 2000 STAMPS TO SUPPORT HEALTHIER CLASSROOMS

JACKSONVILLE, FLA. – Simply Stamps teamed up with Trodat in March to give away 2000 FREE hand-washing stamps to teachers nationwide. This give away promoted hand washing in schools, and created a fun way for teachers to encourage students to wash their hands regularly.

Simply Stamps and Trodat were inspired to launch this giveaway after Facebook influencer and third grade teacher Mrs. Woods had the grand idea of using a stamp as a way to ensure her students were properly washing their hands. In support of her mission, Trodat donated 2,000 stamps for Simply Stamps to give away via Facebook and Instagram in support of promoting cleaner classrooms in the midst of the COVIN-19 spread.

With an average of 23 students in U.S. classrooms, this giveaway had the potential to reach 46,000 K-12 school children nationwide. The giveaway was launched on March 15th, and by March 20th, more than $30,000 worth of stamps had been gifted to 2000 teachers from all across the U.S. To learn more about this campaign, visit https://www.simplystamps.com/simply-wash-your-hands
